TERRA WORKS HERE

For over 40 years, H.A. Sheldon Canada Ltd. has been designing, manufacturing and marketing leather belts in Toronto.

Made in Canada by our experienced craftsmanship ensures a high quality standard for our Terra belt collection.

This collection includes everyday leather work wear belts to specialized items such as our non scruff "Toe Cap" strap, non scratch buckles and belts with built-in comfort.

As with TERRA footwear, the TERRA belt line gives the same all-out dedication to onsite toughness and the same commitment to quality in style and design.
